KINDERGARTEN ORIENTATION PROGRAM
Our kindergarten orientation program is tomorrow - Wednesday 5 November.
This week’s focus will be on numeracy and how best to support your child in numeracy.

Once again we kindly ask parents to bring their child to the Kindergarten rooms to meet their excited buddies. Parents will then head off to Mrs McGivern’s class for a fun numeracy information session. We look forward to smiling and connecting with you.

LIVE LIFE WELL @ SCHOOL

Exercise and food go together; both are needed for healthy development. Just as we need good food to build a healthy body we need exercise for our bodies to develop and reach their full potential.

Walking, swimming and cycling are great forms of exercise. Parents can support a healthy attitude by joining in exercise times such as walking the dog, walking to school, walking to do the shopping, cycling or playing in the backyard or park. Combine a bush walk or swim with a family picnic. It’s a lovely family time together as well as a chance to talk about your child’s thoughts and feelings!

INTENSIVE SWIMMING PROGRAM
Our school swimming program begins on Monday 10 November and continues for two weeks. Mrs Jordan, Mrs Greenlaw, Mr Gibbons and Aides will be accompanying students to and from the pool in Mullumbimby.

The costs for the 10 day program are:
Season ticket holders - $59.60
Non Season ticket holders - $85.60

If you have any further questions please contact the front office.

YEAR 5 MHS ORIENTATION VISIT

Last Wednesday, our Year 5 students, along with a number of other local schools, attended the first of two experience days at Mullumbimby High. Students were involved in a number of activities, including drama, science experiments, cooking and art lessons using the darkroom. Feedback was very positive with children actively engaged and having lots of fun getting a taste of high school learning.

MEET THE PRINCIPAL OF MHS
Next Thursday 13 November, the Principal from Mullumbimby High School, Donna Pearson will meet and speak to parents from Ocean Shores PS. She will discuss current quality programs running at MHS, plus she will explain future directions for MHS. She will be asking parents for their feedback an any ideas.

OPERATION DOLPHIN WINNERS
This week’s operation dolphin winners are:
- Mischa Lamont (KB)
- Casseo Grantham (KM)
- Jake Porter (K-6H)
- Cove Penfold (K-6H)

Congratulations to all these wonderful students.

STAGE 2 SCIENCE FUN DAY
This Friday stage 2 students will take part in a variety of engaging science activities. The activities are designed to allow your student to think scientifically. We would love if parents could join us. I know the students get a buzz having you part of their learning. Start time will be 9:30 Friday, under the learning tree. Can’t wait to see you!

ASSEMBLY
Our next assembly will be hosted by KB this Thursday 6 November. We would love to see parents there.
